Dogs, Dogs, Dogs

There are so many nice dogs and we love them at Blooms Crossing. We love them on leashes, we love them quiet, and we love them being picked up after. If you are a pet owner, it is your responsibility to ensure you are picking up after your pet!

It is your responsibility to SCOOP

THE POOP!
We love the fuzzy pup out there, but only when they have RESPONSIBLE

PARENTS!!!!

Please be good to your fuzzy friends and nice to your neighbors

by following guidelines set forth by the City of Manassas Park.

The guidelines regarding Dogs, Cats, and Other Pets can be found on the City of Manassas Park Home page under Codes and Ordinances. Just click on Codes and Ordinances, Chapter 5, Article III. This explains the code set up by the City of Manassas Park regarding pets.

What's new with Blooms Crossing Neighborhood Watch

We have been fortunate to not have much negative activity in the neighborhood, mostly traffic stops. But we should always keep up our diligence. Now that the holidays are here, with them comes other concerns.

If you are having packages delivered see if you can have a neighbor get them for you. Last year Prince William County had a big issue with resident's packages being taken.

When putting out your trash, conceal packaging that may let "individuals up to no good" know what they can get at your house.

This time of year donation calls pick up, ask for them to mail you information so you can confirm their organization. You can also look them up through the Better Business Bureau, www.bbb.org.

We are still actively looking for Block Captains in Bloom's Crossing. We know your time is precious, but so is the safety of your family and home. The time commitment is minimal, we have 4- 1 hour meetings a year, and several events we participate in. It is an opportunity to get to know your neighbors!

If you are interested in being involved with Neighborhood Watch, please contact me at hgustin@verizon.net or 703-530-6188.

"Be a part of making your community a better place to live". We are also looking for more

McGruff House's, if you would like more information go to McGruff.org.

If you decide you would like to apply, to be a McGruff House contact me at the email address below.

Our website is up, check it out for dates of meetings and events www.mpneighborhoodwatch.net

Our next meeting is for the Holiday Float that we put each year in the City's light parade. We are looking for anyone who would like to participate in the design and creation of the float.

If you help with float you can ride on it in the parade on December 11th starting at The General Ridge's parking lot at 5:00 p.m. Space is limited, so please let me know as soon as possible.

We meet at my house earlier that day to create the float and have pizza before parade.

Be safe,
